General Description

Performs inspections at livestock markets, feedlots, slaughter plants, flea markets, farms and ranches, and at other places where livestock, exotics, and poultry are gathered. Conducts livestock shipment inspection activities, as assigned.

NOTE: Must have reliable transportation. Mileage reimbursed at current state allowance rate.

Essential Job Functions

- Performs inspections at livestock markets, feedlots, slaughter plants, flea markets, farms and ranches, and at other locations where livestock, exotics, and poultry are gathered.
- Collects samples for testing from cattle, swine, equine, exotics, sheep, goats and poultry.
- Enforces quarantines and other livestock disease control measures, including livestock shipment activities.
- Performs periodic public education contacts with community media resources and organizations.
- Participates in emergency management activities and responses to disease outbreaks as assigned.
- Maintains accurate and detailed work activity records.
- Drives extensively on a daily basis, using personal vehicle.

- Performs other related duties as assigned.

Education and Experience: Graduation from standard senior high school or GED + :

- Inspector II – Must have general experience working with livestock;
- Inspector III – Must have at least one year of livestock experience working as an animal health inspector or comparable work; or
- Inspector IV – Must have at least three years of livestock experience working as an animal health inspector or comparable work.

Knowledge, Skills and Abilities: Ability to safely handle livestock; to acquire knowledge of the laws and regulations governing livestock markets, brucellosis, and other regulatory programs and to apply regulations to work activities. Must be able to establish and maintain effective working relationships with livestock producers, market owners/operators, local area emergency management coordinators, coworkers, and others involved in animal agriculture. Skilled in keeping detailed written records. Must have or be able to acquire skills in operating a laptop computer, hand-held data collection device, global positioning system (GPS), and other equipment necessary to perform job duties. Must have effective oral and written communication skills; legible handwriting; and, ability to follow oral and written instructions. Ability to travel extensively (some overnight) and to work occasional overtime as required. Regular days off fluctuate depending upon workload.

Physical Requirements: Must have arm, hand, shoulder and back strength and dexterity to be able to handle and restrain livestock, including cattle, horses, swine, small ruminants, exotic forms of livestock, and poultry. Must be able to lift and maneuver equipment such as chutes, portable pens, spraying equipment, trailers, and instruments weighing up to 50 pounds used for restraining and testing large animals.

The TAHC is an emergency response agency. The Livestock Inspector position plays a key role in the agency's emergency management activities. As a first responder, this position is subject to participate in rotating temporary duty assignments away from the regular designated headquarters for up to two weeks at a time. This duty may involve working in adverse conditions; may require irregular working hours and overtime; and, may include duties other than those specified in the standard position description.

Other: Must have valid Texas driver's license and safe driving record. Employment of the selected candidate is contingent upon the receipt of an acceptable Moving Violation Record (MVR) from the Texas Department of Public Safety.

NOTE: TAHC Animal Health Inspectors cannot have personal involvement with livestock or poultry/fowl to the extent that it creates an actual or perceived conflict of interest in executing regulatory enforcement duties or in any way restricts ability to carry out disease program activities.

APPLICATION PROCEDURES

Completed and signed State of Texas Application for Employment must be received by the closing date, unless the position is posted "until filled."
